

MISSION

At Precision CADCAM, we strive to provide high quality manufacturing of injection molds, tool and dies, short run, and high production parts.

With over 20 years experience in the manufacturing industry, we continuously implement the best technology and machining concepts in order that we may provide the industry with the best value, as well as the highest quality.

Precision Cadcam, Inc. is a certified Small Disadvantaged Business and a participant in the U.S. Small Business Administrations 8a Business Development Program. Additionally we are a certified 100% Minority Owned Business with the city of Indianapolis and the state of Indiana, and nationally through the NMSSDC.
